# Building a Better Tigard Coloring Contest

Tigard Police and Public Works need a new home! What do you think the new police station / public works building should look like? Get creative! You can even include drawings of police officers, cars and trucks or anything else you would like to add to the building.

**We'll be uploading everyone's drawing to the Tigard Police Facebook page. We'll let the community vote (by number of likes) on three winners (one per age group) who will be invited to lunch with Chief of Police Jamey McDonald!**

## Instructions:

Draw what you think the future Tigard Police & Public Works building should look like.

Fill out all of the information below to be considered. Contest is open to school-age Tigard residents.

Drawings can be returned in-person at the Tigard Police Department records window, or you can mail submissions to:

Community Engagement  
Tigard Police Department  
13125 SW Hall Blvd.  
Tigard, OR 97223

Entries must be received no later than 9/27/25 at 11:59 PM.

Voting will begin 10/1/25 and end 10/15/25. Winners will be announced and notified no later than 10/25/25.

In May 2026, the City of Tigard will be asking voters to support building one new, safe, combined facility for Tigard police and public works. This new facility will help keep your first responders safe so they can provide emergency service to you and your family when you need it most. Our current facilities are overcrowded, unsafe and cannot continue to support a growing City.
